INSTALLMENT PLAN FOR PAYING 1940 INCOME TAXES

For the first time in Canadian history, income tax payers will be given the opportunity of settling their payments on the installment plan, without interest, according to an announcement by the Income Tax Division of the Department of National Revenue. This is an important step, because income taxes now affect a greater number of people than ever before. Nearly one million Canadians must pay income taxes this year, and this new plan has been devised to assist not only the new taxpayers, but also those who have been paying the tax for some time, and whose taxes have been materially increased. It also will assist the taxpayer to "collapsing purchasing war savings" certificates and war bonds.

The plan is quite simple. The first thing to do is find out if you are one who pays the tax. If you are single and without dependents and your income in 1940 was over \$100 you pay a general income tax. If you are married without other dependents than your wife, and your income in 1940 was over \$100 you pay a general income tax. If you are a married person and have children, you are allowed an exemption of \$400 for each dependent in addition to the \$1000. It must be remembered that payment of National Defense Tax does not preclude an exemption from your income tax.

To make payment of income tax as small a burden as possible the government has arranged an installment plan spread over an eight month period. To take advantage of this new plan the first installment must be paid on or before January 31st. One third of the estimated tax may be paid in four monthly installments, the remaining two thirds of the tax payable in the second four months.

The Income Tax Division of the Government has given considerable thought to this new way of payment plan. Spread over so many months the tax does not become a burden to the taxpayer, and it provides an opportunity for all citizens to further co-operate with the government war effort by the regular purchases of war savings certificates and of war bonds which are issued.

CHAIRMAN E.L.D. SCHOOL BOARD PASSES IN EDMONTON

Word was received with regret in Bassano early this week of the death of Mr. R. T. Simpson, ex-Tillier, Chairman of the E.L.D. School Division Board, in Edmonton on Monday of this week.

Mr. Simpson had been in the hospital for approximately ten days before his untimely death. For the past two years, since the formation of the enlarged school unit with offices located at this point, Mr. Simpson had taken an active part in carrying out his duties as trustee and chairman to the fullest interests of the Board.

Funeral services will be conducted in Medicine Hat on Friday of this week. The late Mr. Simpson is survived by his wife and three children, all living in the Tillier District.

YOUTH TRAINING SCHOOL SPONSORING DANCE JANUARY 28th

Sonny Fry and the Gentlemen of Music, who will play at Bassano for the Youth Training Group on Tuesday evening January 28th. Sonny Fry may be seen in the above photo seated at the drums.

STENOUS HOCKEY SCHEDULE DURING COMING WEEK

During the coming week, the local hockey team will find plenty of opportunity for action, when five games are scheduled to be played in eight days. The first game will be played in Bassano on Saturday evening, when a powerful aggregation from Brooks will meet the locals on local ice. On Sunday, Jan. 19th, Bassano will journey to Millcroft, with a return game being played in Bassano on Wednesday evening, January 22nd. On Thursday, January 23rd, the locals journey to Brooks and on Sunday, Jan. 26th, they will again journey to Rosemary. After this string of games, the boys will probably be in fine shape, and will prove difficult to overcome in any engagement.

It is understood that league games played to date have proven very interesting, and the outcome of some of them has not been decided until the last moments of play.

All teams appear to be fairly well matched, and it will not be until after a few more games have been played that a league winner may be prophesied.

COUNTESSES

Mrs. Cadot spent the weekend visiting friends in Medicine Hat. Miss Eleanor Ferry was a dinner guest at Hopkins on Sunday. The Countess Hockey Team played against the Lathorn hockey team at Countess Sunday. The score was tied 3-3.

A good crowd attended the dance held at Countess last Friday. An enjoyable time was had by all. Miss Grace Ferguson motored to Edmonton Tuesday to spend a few days. This trip was in reward for her good work done in the Gem Garden Club last summer.

INSTALL OFFICERS OF BASSANO LODGE TUES. EVE

Installation ceremonies of the officers of Bassano Masonic Lodge No. 18, Bassano, were conducted by Mr. H. H. Beebe, D.D.M. also of Bassano, at the regular meeting of the fraternity held on Tuesday evening of this week. All officers installed will take an active part in the government of the organization for the coming year. Officers installed were as follows: W.M.—A. I. Young; S.W.—H. T. Johnson; J.W.—S. Lesard; Secretary—W. J. Robinson; Treasurer—J. H. Schen; S.D.—J. H. Schen; J.D.—K. Hansen; S.D.—L. D. Down; J.A.—F. T. Cary; Tyler—R. H. Struthers; Chaplain—Dr. A. G. Scott; Registrar—James Johnston; D. of C.—A. McKee; Organist and Librarian—J. Donaldson.

RECRUITING FOR AIR FORCE IN BASSANO MONDAY

Flying Officer G. W. C. Kinney, L.A.C. Harvey Lee, and L.A.C. Herbert Hoyer of the R. C. A. F. were Bassano visitors on Monday afternoon of this week, recruiting for the Training Forces of Canada. During their stay here, a number of persons of the district were interviewed with regards to applying for entrance into the R. C. A. F. and the Countess Hockey team played the Recorder that he was highly pleased with the response and interest shown. He announced that in all probability he will again visit the district in two months time, and due notice will be given in order that men wishing to join up may be fully prepared to answer all questions necessary when applying for enlistment.

Interviews were granted to persons wishing to enter the service as members of Air Crews, Motor Mechanics and Cooks. F. O. Kinney also stated that there was, at the present time, openings for Radio Technicians, and all men who have a general knowledge of the fundamental principles of Radio, together with some service experience should apply for enlistment in this branch of the service as quickly as possible. Applications for any branch of the service should be addressed to the R.C.A.F. Recruiting Depot in Calgary, or may be made to an authorized Recruiting Officer of the R.C.A.F. After leaving Bassano, the Recruiting party journeyed to Brooks and Medicine Hat. The Recorder will carry an announcement of their next visit to this district.

CARD OF THANKS

"I wish to express my deepest thanks to all friends in Bassano for the gifts and kind wishes tendered to me on leaving the old town to join his Majesties forces." Larry Edwards.

KNOX CHURCH ANNUAL MEETING HELD MONDAY

The annual meeting of Knox Presbyterian Church was held on Monday evening of this week, when a number of those actively interested in the affairs of the church were in attendance. The chair was taken by the Pastor Mr. C. F. Kline, who opened the meeting with Scripture reading, the singing of a hymn and prayer. The Secretary, Mr. F. Skerritt, then read the minutes of the last annual meeting, which were approved and adopted.

Those who were then welcomed were the various organizations of the Church, which included the reports of the Ladies' Aid, the Sunday School, Board of Managers, the Session and the Ministers report. The next order of business was the election of Officers to serve on the Board of Managers. It was moved that the present members, namely Mrs. E. F. Maurer; Messrs C. McKinnon, M. R. Milroy, J. Henrie, D. Callow, A. McKee, Roy Smith, and R. H. Jones, be re-elected, and that their number be added, Messrs S. Morris, F. T. Cary, R. Z. Lore and N. Wright. The motion was carried unanimously.

Matters of correspondence were then dealt with, and after the moving of a vote of thanks to the officers and members of the several organizations which contribute valuable service to the Church, comprising those already named, and also the church whose faithful services add so much to the worship programme of the Church, the meeting closed with the singing of the Doxology. After the Benediction all retired to the vestry where refreshments were served by the ladies.

POURING ACID AT TEST WELL

1,000-Gallon Treatment Being Given at Princes

The Standard Oil of B. C. discovery well at the Princes field 40 miles east of Bassano was reported Wednesday night to have been given its first acid treatment during the day. Acidizing is being carried out on all sites to increase production, though early in the week the well produced at a rate of 300 barrels per day of heavy crude oil, before acidizing. Three shots of acid will be given the well. John O. Galloway, Calgary Standard Oil Manager, said, the first two of 250 gallons each, and the third 500 gallons.

It is expected it may be several days before results of the acidizing may be announced.

FOUND—Steel spoke wheel and tire. Found on Highway north of Bassano. Owner may claim same by calling at Recorder Office and paying for this advt.

SONNY FRY AND GENTLEMEN OF MUSIC ENGAGED TO SUPPLY MUSIC

Following a meeting of the boys attending the Youth Training School in Bassano, held on Saturday afternoon of last week, announcement was made that a dance will be held in the local Masonic Hall on Tuesday evening, January 28th, commencing at 8 p.m. The dance is being sponsored by the Youth Training Group, and all proceeds derived from the evening's entertainment will be used to help defray expenses of carrying on the school at this point.

Sonny Fry and the Gentlemen of Music, one of the most popular dance bands in Southern Alberta, have been engaged to supply music for the occasion. This band of young boys have gained quite a reputation for themselves in the mazy manner in which they arrange their musical offerings, and upon each public appearance, they have provided added attractions with their novelty musical selections. To listen to the band alone is a real treat, and a dance to them—we cannot do more than urge every dance fan to attend the affair and experience one of the finest evenings of entertainment they have ever had.

Admission prices to the dance are not out of line with the quality and quantity of entertainment being offered. Postage will be circulated throughout the district this week-end giving full particulars.

The boys of the Youth Training School have been undergoing intensive study during the past two weeks, and their school will continue to function until the middle of February. In sponsoring the dance, they have accepted the responsibility of providing some entertainment for themselves, while located in Bassano, and at the same time offer local, district and outside persons an opportunity to hear and see one of their favorite orchestras. It is their earnest hope that all citizens of the district will take advantage of this opportunity, and at the same time assist the organization to overcome some of the financial problems and obligations that must be met in order that the school may be successful.

Makepeace

A record threshing run for this community seems to have been set by J. B. Rogers. He started combining the first of August and up to now has had a steady run.

The first Red Cross Meeting of the year was held at the home of Mrs. Brockbank on January 8th. The following is a list of the finished articles sent in to Bassano—6 suits pyjamas, 6 pr. socks, 3 turtle necked sweaters, 1 sleeveless sweater, 3 quilt tops, 1 pr. seaman's socks.

The next meeting will be held at the home of Mrs. V. G. Campbell on January 22nd.

A Dance and Truth and Consequence Quiz Program is being held in Makepeace on January 17th.

CANADA DELIVERS THE GOODS

An army transport vehicle from a Canadian factory is shown as it is loaded for shipment to Great Britain at an East Coast Port. Hundreds of these are being supplied by the Canadian automotive industry day after day for use at home and abroad.

YOUNG LONDONERS BEAR TO CANADA FROM CRYPT OF FAMOUS CHURCH

The honour of interviewing two young British girls during a recent overseas broadcast went to Rooney, Peilester of the CBC Overseas Unit. Here is a photograph of the occasion. The interview, a portion of the broadcast "London Carries On," took place in the Crypt of St. Martin-in-the-Fields, which has been transformed into a bomb shelter for young Londoners.

NEW INCOME TAX PROVISIONS

We would particularly draw to the attention of our readers the advertisement appearing elsewhere in this issue, inserted by the income tax division of the department of national revenue, and outlining the new installment plan for payment of income tax. More people in Canada will be required to pay income tax this year than ever before and many who have never paid it before will this year be paying it for the first time.

Canadians, like their fellow citizens in every part of the Empire are making every possible sacrifice to speed the day when the allied forces will finally and permanently defeat the unprincipled aggressors of the dictatorial ruled countries, and bring freedom to the down-trodden peoples of the ravaged small nations of Europe. With neutral U.S.A. bending every effort to help our cause, every citizen of this country must do his part in achieving victory.

The government has made possible the payment of income taxes by installments over a period of eight months. Now it should be realized that there is no choice of the eight months in which to pay. If you are to take advantage of this plan, and without payment of interest, you must start payment in January. In the advertisement in which we have referred the income division has set forth in very simple language the details of the plan. It tells you how, and when, and where to pay it, and how much your tax will be.

The man or woman who is eligible for payment if income is throwing money away if they fail to take advantage of the plan presented, so the wisest thing is to take a little time off and study the advertisement thoroughly, so that a proper understanding of the legislation might be obtained.

During the coming year there are going to be many calls upon your patriotism. You will be asked to support the war savings certificate drive in February. You will be asked to assist several war charities in the month of March. You will be asked to buy war bonds, and there will be other calls upon the average man throughout the year. To be able to pay income tax in monthly installments is a special privilege, and every citizen liable for income tax should study the plan, and make arrangements to take advantage of it before the end of this month. Read the advertisement and find out if you have to pay, how much you have to pay, how to pay it, and all the other details connected with income tax.

The Rowell-Sirois Report

ARTICLE 5

The philosophy underlying the recommendations of the Rowell-Sirois Commission is equity of treatment for citizens of all provinces.

It was with this in view that the commission designed its recommendations. Two and a half years of study of the problems confronting Canada convinced the commission that there are many injustices and inequalities in Canada's present governmental, economic and financial structure. It devised its report to cure these.

The commission found that some provinces and areas are threatened with insolvency and that the burden of government is unevenly distributed. Because of the change in the concept of the duty of government most provinces are faced with a burden of services which they have not the financial resources to carry, due to limited taxation powers. Recommendations of the commission, if adopted will change this situation. The provinces will be relieved of the heavy costs of relief and of the deadweight burden of debt service and will be assured of sufficient revenues to maintain normal services.

The assurance of sufficient revenues, through National Adjustment Grants, to enable every province to provide educational and social services on a national average of quality is important. The provision requires that every Canadian, no matter what province he or she may live in, is entitled to the benefits of a minimum standard of services. Thus, if the report is adopted, education and welfare services in Alberta will be just as good as those in Ontario.

In the past, adverse economic conditions have affected some provinces more than others. Those most seriously affected have had no direct recourse to services beyond their own resources. This was the experience of Alberta and other western provinces in the recent depression. In future, if the commission's report is implemented, this will not be necessary since increased adjustment grants will offset any decline in revenue from other sources. In brief, the provinces are assured of stable revenues.

It has long been recognized that there are many inequalities arising out of the unequal distribution of

the national income as between different regions of Canada. The financial plan proposed by the commission is devised to correct this to some extent. It is the view of the commission that "if welfare is to be achieved the national income must be better distributed and a greater measure of social and economic security must be provided for those in low income groups."

Another fundamental consideration which the commission kept constantly in mind is the importance of maintaining, and expanding as far as possible, the national income and a more prosperous Canada which governed the commission in the recommendations it makes for simplifying Canada's financial system, for carrying out economically as possible the great burden public debt and for eliminating those features of the fiscal system which have marked tendency to check investment and so to reduce employment.

The taxation proposals of the report arise out of the finding by the commission that the present system of taxation is obsolete, inequitable as between taxpayers and provinces, inefficient and a deterrent to expansion of the national income. The report states that the complexity of the present tax system is beyond belief and that existing corporation taxes have grown up in a completely unplanned and unco-ordinated way, and that they violate every canon of sound taxation theory. The proposals, in the opinion of the commission, are justified on the grounds of sound social and fiscal policy. Furthermore, a definite system of taxation will assist in expansion of the national income.

Care was taken by the commission to see that its recommendations do not interfere with legitimate provincial autonomy. It disagreed with the view those presentations, which argued that the authority of the provinces should be reduced substantially. Rather, it designed its recommendations with a view to preserving provincial autonomy since it recognized that such was necessary in a federal state in some fields of governmental activity the authority of the provinces will be reduced by adoption of the report.

In discussing its recommendations in relation to the maintenance of provincial autonomy, the commis-

HONOR ROLL

The Recorder would appreciate readers informing us of errors or omissions to this list of names, compiled from names of men who have joined some branch of the Active Service from the entire district.

To each soldier enlisted, a complimentary copy of the Bassano Recorder is being mailed each week free of charge. Before this copy will be mailed, however, a question must be filled out, either by the soldier, or by one of his relatives or friends. This form may be secured by applying at the Recorder Office. The star beside the name of a soldier in the following list indicates that a copy of the paper is being mailed to him each week. Readers are asked to co-operate, and see that a star appears beside each name by filling out the necessary form.

History of the E.I.D.

Co-operative Cheese Factory

(By J. P. Loewen)

It is now a number of years since farmers were trying to emerge from a serious depression, that their thoughts turned to the establishing of a cheese factory in the Eastern Irrigation District.

Why a cheese factory?—The farmers saw that they must change their farming methods from direct selling farms to mixed farming method. In the years of 1930-34 the prices of grain, cattle, hogs and cream were at rock bottom. A few creameries had no competition and farmers received no encouragement to increase their dairy herds. But with the price of cheese more stable than the price of butter, and Alberta still importing cheese, the Western farmers turned to cheese making.

The farmers of the Rosemary district watched with keen interest such districts as Swatwell, Coaldale and Disbury, all rich districts at one time but had become poorer during the depression years. Now with a Co-op cheese factory in their centres, farmers again became re-established and the credit of their districts restored. With this picture in their minds the farmers seriously began to think of a factory at Rosemary. In the fall of 1934 they began to organize, and by the end of 1935 the factory was not until July 1936 that they opened the factory for milk deliveries.

What then are the values of a Co-op cheese factory?
First—The farmers receive a more stable income during the summer months when the flow of milk is the greatest and the price of milk higher than the price of cream, though during some winter months the price comes to a level.
Second—The farmers are encouraged not only to increase their dairy herds but to improve their keeping only the cows that pro-

HISTORY OF THE E.I.D. CO-OPERATIVE CHEESE FACTORY

(Continued from Page 2)

is consumed locally.

Sixth—(Which is of the greatest value.) It is a co-operative cheese factory. A non-profit-making business owned and operated by the milk producers themselves. Most of the money needed to build the factory was borrowed from the E.I.D. treasury, but if the factory can have a few years of success the money will again be paid back to the treasurer, and the milk producers will be the sole owners of the factory.

Any money that is earned by the factory above the cost of milk and delivering will be returned to the farmers in proportion to the milk deliveries in the form of dividends.

The districts outlying from Rose may perhaps do not realize these possibilities. The districts of Brooks, Castle and Duchesne could well organize a milk route and deliver their milk to the factory. If a truck was operated at Brooks,

pick up the milk at Brooks and perhaps into the Duchesne district, it would only have an eight or ten mile drive from the last pick-up to the factory. Castle could organize and come direct to Rosemary. Rosemary could co-operate with Castle and get a road graded between the two points. Rosemary needs a better road to the coal mines and Castle needs a better outlet to the North and West.

A co-operating trucking service could well be organized by the outlying districts. It should be realized that a cheese factory should not only be a benefit to the Rosemary, Countess, and Gem districts but to as many as possible in the E.I.D. It will not only be a benefit to the farmer as an individual but to the E.I.D. as a whole.

Although we have only operated the factory for six months and have had many difficulties to face and have overcome many we can report a good measure of success.

Co-operation is the finest form of business and puts true democracy to work.

 Feb. 5—Rosemary at Bassano
 Feb. 5—Bassano at Brooks
 Feb. 9—Brooks at Rosemary
 Feb. 9—Brooks at Rosemary
 Feb. 13—Bassano at Brooks
 Feb. 13—Millenest at Bassano
 Feb. 16—Millenest at Rosemary

Please turn out and give the boys your support and let's boost Bassano to the top.

YOUR INCOME TAX

HOW? WHEN? WHERE? WHO? HOW MUCH?

THIS YEAR, almost every man and woman in Canada will share the burden of paying for the war. A million new taxpayers will pay who never paid before. A personal budget payment plan is available to all taxpayers who are faced with substantially increased income taxes.

Canadians are asked to shoulder their share of the war effort cheerfully and willingly. By paying your income tax regularly you help to speed the production of war materials, saving thousands of victory closer. Figure out how much tax you will have to pay, and arrange to pay promptly when due.

Pay by instalments—the easy way—and save interest.

Cut out this page and keep it for future reference.

WHO PAYS INCOME TAX?

If you are a single person without dependents, and your income in 1940 was more than \$750.00 you pay general-income-tax.

If you are a married person without dependents, and your income in 1940 was more than \$1500.00 you pay general-income-tax.

If you are a married person with children, you are allowed \$400.00 exemption for each dependent child or grandchild, in addition to the \$1500.00 exemption.

NOTE: In addition to the general-income-tax you pay National Defence Tax on your total income without any exemption if you are single and your income goes over \$600 or if you are married and your income goes over \$1,200.

HOW DO YOU PAY?

Your income tax may be paid in the following ways—

1. **The Present Method:** At least one-third of the tax to be paid by April 30th, the balance, with interest at 5% from April 30th, to be paid by August 31st. On any balance unpaid after August 31st, the interest rate will be 9%.

2. **The Proposed Method:** In 8 monthly instalments without interest. To take advantage of this new way of paying, the first instalment must be paid on or before January 31st. You must pay at least one-third of the estimated tax in four equal monthly instalments, in January, February, March and April. The remaining three instalments in each of the said 4 months. The remaining three instalments must be paid in four equal monthly instalments in May, June, July and August. The last of the estimated tax in each of the said 4 months. (This will be in the amended law.)

3. **The Recommended Method:** This method will not be found in

the law but it is a simple method, namely, in eight equal monthly instalments, without interest, commencing in January.

To take advantage of the monthly payment plan without interest, each payment must be made on or before the due date. Otherwise interest will be charged on the total balance remaining unpaid after April 30th.

EXAMPLE OF INSTALMENT PAYING WITHOUT INTEREST

If your estimated tax is \$600.00 you pay one-third of the tax (\$200.00) in four instalments (\$50.00 each) and the remaining two-thirds (\$400.00) in four instalments (\$100.00 each). Your payments are therefore as follows:

On or Before Jan. 31	On or Before Feb. 28	On or Before Mar. 31	On or Before April 30
\$50	\$50	\$50	\$50
\$100	\$100	\$100	\$100 = \$600

However it is recommended that you pay your tax in eight equal monthly instalments of \$75.00 each—\$600.00.

Instalment Income Tax Remittance Forms are available at any post office, or any branch of any bank, or the office of the Inspector for your

District, and their use will ensure accurate and proper allocation of your payment. However, you can send in your instalments by ordinary letter with your name and address plainly stated thereon, clearly indicating the division between Provincial and Dominion Tax payments.

HOW MUCH DO YOU PAY?

The general-income-tax is payable on your net income less exemptions.

If you are single, your exemption is \$750.00. Thus if your total income is \$1,000.00 you must pay tax on \$250.00.

The exemption for a married person is \$1,500.00 or \$400.00 for each dependent child or grandchild. Thus if you are a married man with two children and a total income of \$2,000.00 your total exemptions are \$1,500.00 plus \$400.00 for each child, or \$2,300.00 in all. So you pay tax on \$300.00.

Payment: You may send a cheque, Post Office or Money Order in payment of income tax by mail, to the Inspector of Income Tax for the District in which you reside, made payable to the Receiver General of Canada. Write plainly and give your name in full, so that mistakes in crediting may be avoided. Do not send money or postage stamps in envelopes.

RATES OF NATIONAL DEFENCE TAX

For a single person
 2% on the total income if the income exceeds \$600 and does not exceed \$1,200.

3% on the total income if the income exceeds \$1,200.

For a married person
 2% on the total income if the income exceeds \$1,200 with a tax credit of \$8.00 for each dependent child or grandchild.

For 1940 the tax is on one-half of the total income and the tax credit is \$4.00.

FURTHER INFORMATION

including the booklet "National Defence Tax" may be obtained from the Inspector of Income Tax for the district in which you reside. Forms are now available. Form T-1 Special is to be used by individuals who are not in business whose income is not more than \$600.00. All other must use the regular form T-1 or in the case of farmers, Form T-1A. Proprietors in business must file, in addition to the Form T-1 Return, an Excess Profit Tax Return on Form E.P.T-1 on or before April 30th next.

BASSANO WINS OVER ROSEMARY

A fast and exciting hockey game was played on home ice by the local Bassano Junior Hockey Team last Wednesday, resulting in a win for the Bassano boys by a score of 3 to 1 over the Rosemary team.

Goals for the locals were scored by W. Marquardt, Gerald McBride and Marcel Mussey, with assists being given to Dale McBride, A. Arison and G. Catron. Penalties went to Bacon and Arison for the home team and Eastman for Rosemary.

This was the second game of the schedule and the second win for the Bassano boys. The next game is on Saturday, January 18th, when the locals will entertain the Brooks team. Come out and give the boys your support.

GLEICHEN WINS TROPHY FROM LOCAL CURLING CLUB

Playing in Bassano on Wednesday afternoon of this week for the Briar Trophy, rinks from Bassano, Brooks and Gleichen showed keen competition for the honors of this district. Unfortunately, one of the rinks representing Brooks were unable to reach Bassano, and the club from that point failed to score in the competition.

In the afternoon games, Mac-

Adam of Brooks won from MacDonald of Gleichen in a friendly exhibition game. Haskayne of Bassano also won from Beatty of Gleichen by a close margin in a friendly game.

In the evening, playing for the Briar Trophy, MacDonald of Gleichen edged out Young of Bassano in the last end, to win distinction. The win gives the Gleichen rink the right to represent this district in future rounds of the MacDonalds Briar Trophy Competition for championship of Alberta.

TEMPERATURES DROP IN DISTRICT

Following several days of extremely mild weather last week, temperatures in the Bassano district took a sudden drop early this week, and thermometers have been registering in the zero area. Approximately two inches of snow fell on Tuesday evening, to give the district the appearance of winter, even if no extreme temperatures have been experienced to date.

There was concern over the condition of ice in the local skating and curling rinks last week, when warm days played havoc with the ice. However, with the recent drop in temperatures, the ice was again reported to be in fine shape. Fog has accompanied the temperature drops, and motorists have reported driving conditions very difficult.

At time of going to press on Thursday, the sun is shining brightly, and there is every indication that temperature may again rise to the freezing point.

SUNDAY SUBJECT OF PASTOR C. F. LAINE

Pastor C. F. Laine's sermon subject in Knox Presbyterian Church on Sunday next, January 19th will be "Church-makers and Church Making." This is a subject which should be of vital interest to all for we are all Church-makers and have it in our power to make Our Church the Church that we would like it to be, and the Church that the Master wants it to be. Come and hear this address in Sunday evening at 7:30 P.M.

Around us rolls the ceaseless tide Of business, toil and care; And scarcely can we turn aside For one brief hour of prayer. O may we, Lord, reserve a space When from our tasks we're free, To meet within Thy holy place And rest awhile with Thee.

BOYS ENJOYING PRACTICAL TRAINING RECEIVED AT YOUTH SCHOOL

Four new boys enrolled with the Farm Boys Youth Training School being conducted in Bassano during the past week, and commenced

Local Items

Mrs. Wright of Calgary is visiting at the home of Dr. and Mrs. V. G. Scott.

Mrs. W. F. Keith and Mrs. A. G. Scott were Calgary visitors on Friday and Saturday of last week.

Mr. Tommy Lamont of the local bank staff was a Calgary visitor on Sunday last.

Mr. Clifford Johnson and Mr. J. T. Fraser were Calgary visitors on Monday and Tuesday of this week.

Mr. and Mrs. J. T. Davis were weekend visitors with friends in Drumheller.

Roy Smith was a business visitor to Calgary on Monday of this week.

Miss Florence White of Gull Lake Sask., is spending a short time visiting at the home of her sister, Mrs. A. Cathro, of Bassano.

Miss Carolyn Beber, who is attending school in Calgary, spent the weekend visiting at the home of her parents in Bassano.

A number of citizens of the town journeyed to Gleichen on Friday evening of last week, to attend the dance.

Mrs. MacLeod of Medicine Hat spending a few days visiting at the home of her parents, Mr. and Mrs. L. Y. Bernie.

Mrs. H. E. Riley of Brooks was a Bassano visitor on Wednesday afternoon of this week.

Miss Jean Lee, who has been visiting at the home of Dr. and Mrs. W. F. Keith for the past two weeks, returned to her home in Calgary on Sunday last.

A number of local Masons journeyed to Brooks on Friday evening of last week, to attend the banquet tendered in honor of Dr. Anderson of that point, who is leaving Brooks to accept a commission in the Medical Corps.

Mrs. Bond, who has been visiting for the past few weeks with her daughter, Mrs. J. Maguire, left Bassano on Thursday morning of this week for Vancouver, where she will make her future home.

studies along with the other thirty-five students already enrolled. The new students are C. Dundas of Husker, D. Nail of Mokspeken, Chas. Hein of Duck Lake and W. Zender of Duchesne.

During the week, the group made farewell to Mr. Nichols, who has been their instructor in Motor Mechanics. His place was taken by Mr. G. Woods. Mr. Nichols has been transferred to Medicine Hat, where he will carry out other duties connected with the Youth Training Movement. Before departing from Bassano, he was presented with a small gift by the boys, in token of their friendship for him.

Entering upon their second week, the boys continue to show great enthusiasm for the classes. The group has been divided into three sections, and each section takes one week of Carpentry, one week of Motor Mechanics, and one week of Blacksmithing. At the end of the third week, the rotation of studies will again be commenced, giving each boy a total of six weeks practical work, two weeks in each division.

Last week, the carpenter group learned how to handle tools, and each boy was started on some project. These varied from making ironing boards to hay racks. During the two weeks training in carpentry each will receive general knowledge of the methods of construction of articles with wood.

The blacksmithing class learned how to forge tools, clevises, and chain rings and hooks. Mr. A. Maurice, aided by Mr. R. Murphy of Bassano, conducted the classes in blacksmithing.

The motor mechanics class have been busy overhauling cars and engines, and even carried out work on a tractor. They have been learning the proper procedure to go about testing a motor apart, and the use of tools necessary in adjusting intricate parts of the engine to keep them operating efficiently.

The boys are looking forward to their dance to be held on January 28th, and express the hope that citizens of the district will turn out in full strength.

INSTALLMENT PLAN FOR PAYING 1940 INCOME TAXES

For the first time in Canadian history, income tax payers will be given the opportunity of meeting their payments on the installment plan, without interest, according to an announcement by the Income Tax Division of the Department of National Revenue. This is an important step, because income taxes now affect a greater number of people than ever before. Nearly one million Canadians must pay income taxes this year, and this new plan has been devised to assist not only the new taxpayers, but also those who have been paying the tax for some time, and whose taxes have been materially increased. It also will assist the taxpayer to continue purchasing war savings certificates and war bonds.

The plan is quite simple. The first thing to do is find out if you are one who pays the tax. If you are single and without dependents and your income in 1940 was over \$750 you pay income tax. If you are married without other dependents than your wife and your income in 1940 was over \$1500 you pay a general income tax. If you are a married person and have children, you are allowed an exemption of \$400 for each dependent in addition to the \$1500. It must be remembered that payment of National Defence Tax does not provide an exemption from your income tax.

To make payment of income tax as small a burden as possible the government has arranged an installment plan spread over an eight month period. To take advantage of this new plan the first installment must be paid on or before January 31st. One third of the estimated tax may be paid in four monthly installments, the remaining two thirds of the tax payable in the second of four months. The Income Tax Division of the Government has given considerable thought to this new easy payment plan. Spread over so many months the tax does not become a burden to the taxpayer; and it provides an opportunity for all citizens to better co-operate with the government war effort by the regular purchase of war savings certificates and of war bonds as they are issued.

CHAIRMAN R.I.D. SCHOOL BOARD PASSES IN EDMONTON

Word was received with regret in Bassano early this week of the death of Mr. R. T. Simpson, of Tilley, Chairman of the R.I.D. School Division, which was held in Edmonton on Monday of this week.

Mr. Simpson had been ill in the hospital for approximately ten days before his untimely death. For the past two years, since the formation of the enlarged school unit with offices located at this point, Mr. Simpson had taken an active part in carrying out his duties as trustee and chairman to the fullest interests of the Board. Funeral services will be conducted in Medicine Hat on Friday of this week. The late Mr. Simpson is survived by his wife and three children, all living in the Tilley District.

YOUTH TRAINING SCHOOL SPONSORING DANCE JANUARY 28th

Sonny Fry and the Gentlemen of Music, who will play in Bassano for the Youth Training Group on Tuesday evening January 28th. Sonny Fry may be seen in the above photo seated at the drums.

STERNWOOD HOCKEY SCHEDULE DURING COMING WEEK

During the coming week, the local hockey team will find plenty of opportunity for action, when five games are scheduled to be played in eight days. The first game will be played in Bassano on Saturday evening, when a powerful aggregation from Brooks will meet the locals on local ice. On Sunday, Jan. 19th, Bassano will journey to Millmont, with a return game being played in Bassano on Wednesday evening, January 22nd. On Thursday, January 23rd, the locals journey to Brooks, and on Sunday, Jan. 26th, they will again journey to Rosemary. After this string of games, the boys will probably be in fine shape, and will prove difficult to overcome in any engagement.

It is understood that league games played to date have proven very interesting, and the outcome of some of them has not been decided until the last moments of play.

All teams appear to be fairly well matched, and it will not be until after a few more games have been played that a league winner may be prophesied.

COUNTESS

Mrs. Cadot spent the week-end visiting friends in Medicine Hat. Miss Eleanor Ferybay was a dinner guest at Hogkine on Sunday. The Countess Hockey Team played against the Latham hockey team at Countess Sunday. The score was tied 3-3.

A good crowd attended the dance held at Countess last Friday. An enjoyable time was had by all.

Miss Grace Ferguson motored to Edmonton Tuesday to spend a few days. This trip was in reward for good work done in the Gem Garden Club last summer.

INSTALL OFFICERS OF BASSANO LODGE TUES. EVE

Installation ceremonies of the officers of Bassano Masonic Lodge No. 55, Bassano, were conducted by Mr. H. H. Beeber, D.D.G.M. also of Bassano, at the regular meeting of the fraternity held on Tuesday evening of this week. All officers installed will take an active part in the government of the organization for the coming year. Officers installed were as follows: W.M.—A. I. Young, S.D.—J. H. Schen, J.W.—S. Leard, Treasurer—W. J. Redwood, Secretary—H. H. Beeber, S.D.—J. H. Schen, J.D.—K. Hansen, S.S.—D. L. Downs, J.S.—F. T. Cary, Tyler—R. H. Strubbers, Chaplain—Mr. A. B. Booth, Registrar—James Johnston, D. of C.—A. McKee, Organist and Librarian—J. Donajdzen.

Recruiting for air force in Bassano Monday. Flying Officer G. W. C. Kinney, L.A.C. Harvey Lee, and L.A.C. Herbert Royer of the R. C. A. F. were Bassano visitors on Monday afternoon of this week, recruiting for the Flying Forces of Canada. During their stay here, a number of persons of the district were interviewed with regards to applying for entrance into the R. C. A. F., and Flying Officer Kinney informed the Recorder that he was highly pleased with the response and interest shown. He announced that in all probability he will again visit the district in two months time, and due notice will be given in order that men wishing to join up may be fully prepared to answer all questions necessary when applying for enlistment.

Interviews were granted to persons wishing to enter the service as members of Air Crews, Motor Mechanics and Cooks. F. O. Kinney also stated that there was at the present time, opening for Radio Technicians, and all men who have a general knowledge of the fundamental principles of radio, together with some service experience should apply for enlistment in this branch of the service as quickly as possible. Applications for any branch of the service should be addressed to the R.C.A.F. Recruiting Depot in Calgary, or may be made to an authorized Recruiting Officer of the R.C.A.F. After leaving Bassano, the Recruiting party journeyed to Brooks and Medicine Hat. The Recorder will carry an announcement of their next visit to this district.

CARD OF THANKS

"I wish to express my deepest thanks to all friends in Bassano for the gifts and kind wishes tendered to me on leaving the old town to join his Majesties Forces." Larry Edwards.

KNOX CHURCH ANNUAL MEETING HELD MONDAY

The annual meeting of Knox Presbyterian Church was held on Monday evening of this week, when a number of those actively interested in the affairs of the church were in attendance. The chair was taken by the Pastor Mr. C. F. Laine, who opened the meeting with Scripture reading, the singing of a hymn, and prayer. The Secretary-Treasurer, Mr. F. Skerritt, then read the minutes of the last annual meeting, which were approved and adopted. Reports were then received from the various organizations of the Church, which included the reports of the Ladies Aid, the Sunday School, Board of Managers, the Session and the Minister's report. The next order of business was the election of Officers to serve on the Board of Managers. It was moved that the present members, namely Mrs. E. F. Murray, Messrs C. McKinnon, M. R. Milroy, J. Remick, D. Cathro, A. McKee, Roy Smith, and R. H. Jones be re-elected, and that to their number be added, Messrs S. Meeres, F. T. Cary, R. Z. Lore and N. Wright. The motion was carried unanimously. Matters of correspondence were then dealt with, and after the moving of a vote of thanks to the officers and members of the several organizations which contribute valuable service to the Church, some prizes those already named, and also the Choir whose faithful services add so much to the worship programme of the Church, the meeting closed with the singing of the Doxology. After the Benediction all retired to the vestry where refreshments were served by the ladies.

During the business session, reports of the officers for the past year will be heard and discussed. Election of officers to conduct the business of the association in the coming year will also take place. It is expected that Mrs. J. Johnston, President, will occupy the chair and conduct the meeting. Every citizen of the town and district is cordially invited and requested to attend.

LARRY EDWARDS JOINS R.C.A.F.

Mr. Larry Edwards of Bassano answered the call to the colors early this week, and joined the Royal Canadian Air Force. Mr. Edwards has been a citizen of the Town of Bassano for a number of years, where he has been employed as a carpenter with Mr. H. Holmes. A large number of local citizens gathered at the C.P.R. Station on Tuesday evening to bid farewell and Good Luck to "Larry", who left for Brandon, Manitoba, to receive instructions. During the tumultuous stop of the train, Larry received many parting gifts from his friends, tokens of the esteem in which he was held in the community. For the present, Mrs. Edwards and daughters will remain in Bassano, until Mr. Edwards receives definite word of where he will be stationed.

POURING ACID AT TEST WELL

The Standard Oil of B. C. discovery well at the Pricess field 40 miles east of Bassano was reported Wednesday night to have been given its first acid treatment during the day. Acidizing is being carried out in an attempt to increase production, though early in the week the well produced at a rate of 300 barrels per day of heavy crude oil, before acidizing. Three shots of acid will be given the well, John O. Galloway, Calgary Standard Oil Manager, said, the first two of 250 gallons each, and the third 500 gallons. It is expected it may be several days before results of the acidizing may be announced.

FOUND—Steel spoke wheel and tire. Found on Highway north of Bassano. Owner may claim same by calling at Recorder Office and paying for this advert.

SONNY FRY AND GENTLEMEN OF MUSIC ENGAGED TO SUPPLY MUSIC

Following a meeting of the boys steering the Youth Training School in Bassano, held on Saturday afternoon of last week, announcement was made that a dance will be held in the local Masonic Hall on Tuesday evening, January 28th, commencing at 9 p.m. The dance is being sponsored by the Youth Training Group, and all proceeds derived from the evening's entertainment will be used to help defray expenses of carrying on the school at this point.

Sonny Fry and the Gentlemen of Music, one of the most popular dance bands in Southern Alberta, have been engaged to supply music for the occasion. This band of young boys have gained quite a reputation for themselves in the happy manner in which they arrange their musical offerings, and upon each public appearance, they have provided added attractions with their novelty musical selections. To listen to this band is a real treat. But to dance to them—we cannot do more than urge every dance fan to attend the affair and experience one of the finest evenings of entertainment they have ever had.

Admission prices to the dance are not out of line with the quality and quantity of entertainment being offered. Posters will be circulated throughout the district this week-end giving the time and place.

The boys of the Youth Training School have been undergoing intensive study during the past two weeks, and their school routine to function, until the middle of February. In sponsoring the dance, they have accepted the responsibility of providing some entertainment for themselves while located in Bassano, and at the same time offer local, district and outside persons an opportunity to hear and see one of their favorite orchestras. It is their earnest hope that all citizens of the district will take advantage of this opportunity, and at the same time assist the organization to overcome some of the financial problems and obligations that must be met in order that the school may be successful.

Makepeace

A record breaking run for this community seems to have been set by Mr. J. Roberge. He started combining the first of August and up to how far. The first Red Cross Meeting of the year was held at the home of Mrs. Brocklebank on January 8th. The following is a list of the finished articles sent in to Bassano—5 suits pyjamas, 6 pr. socks, 2 turtle neck sweaters, 1 sleeveless sweater, 2 quilt tops, 1 pr. seaman socks.

The next meeting will be held at the home of Mrs. V. G. Campbell on January 22nd.

A Dance and Truth and Consequence Quiz Program is being held in Makepeace on January 17th.

YOUNG LONDONERS SPEAK TO CANADA FROM CRYPT OF FAMOUS CHURCH

The honour of interviewing two young British girls during a recent overseas broadcast went to Honey, Felleiter of the CBC Overseas Unit. Here is a photograph of the occasion. The interview, a portion of the broadcast "London Carries On," took place in the Crypt of St. Martin-in-the-Fields, which has been transformed into a bomb shelter for young Londoners.

NEW INCOME TAX PROVISIONS

We would particularly draw to the attention of our readers the advertisement appearing elsewhere in this issue, inserted by the income tax division of the department of national revenue, and outlining the new installment plan for payment of income tax. More people in Canada will be required to pay income tax this year than ever before and many who have never paid it before will now be paying it for the first time.

Canadians, like their fellow citizens in every part of the Empire are making every possible sacrifice to speed the day when the allied forces will finally and permanently defeat the unprincipled aggressors of the distant ruled countries, and bring freedom to the down-trodden peoples of the ravaged small nations of Europe. With neutral U.S.A. bending every effort to help our cause, every citizen of this country must do his part in achieving victory.

The government has made possible the payment of income taxes by installments over a period of eight months. Now it should be realized that there is no choice of the eight months in which to pay. If you are to take advantage of this plan, and without payment of interest, you must start payment in January. In the advertisement of this month to which we have referred, the income division has set forth in very simple language the details of the plan. It tells you how, and when, and where to pay it, and how much your tax will be.

The man or woman who is eligible for payment of income tax is throwing money away if he fails to take advantage of the plan presented, so the wisest thing is to take a little time off and study the advertisement thoroughly, so that a proper understanding of the legislation might be obtained.

During the coming year there are going to be many calls upon your patriotism. You will be asked to support the war savings certificate drive in February. You will be asked to assist several war charities in the month of March. You will be asked to buy war bonds, and there will be other calls upon the average man throughout the year. To be able to pay income tax in monthly installments is a special privilege, and every citizen liable for income tax should study the plan, and make arrangements to take advantage of it before the end of this month. Read the advertisement and find out if you have to pay, how much you have to pay, how to pay it, and all the other details connected with income tax.

The Rowell-Sirois Report

ARTICLE 5

The philosophy underlying the recommendations of the Rowell-Sirois Commission is equality of treatment for citizens of all provinces.

It was with this in view that the commission designed its recommendations. Two and a half years of study of the problems confronting Canada convinced the commission that there are many injustices and inequalities in Canada's present governmental, economic and financial structure. It devised its report to cure these.

The commission found that some provinces and areas are threatened with insolvency and that the burden of government is unevenly distributed. Because of the change in the concept of the duty of governments most provinces are faced with a burden of services with no adequate financial resources to carry, due to limited taxation powers. Recommendations of the commission, if adopted, will change this situation. The provinces will be relieved of the heavy costs of relief and of the d-weight burden of debt service and will be assured of sufficient revenues to maintain normal services.

The assurance of sufficient revenues, through National Adjustment Grants, to enable every province to provide educational and social services on a national average of quality is important. This provision recommends that every Canadian, no matter what province he or she may live in, is entitled to the benefits of a minimum standard of services. The report is adopted, education and welfare services in Alberta will be just as good as those in Ontario.

In the past, adverse economic conditions have afflicted some provinces more than others. Those most seriously affected have had to curtail necessary services because of declining revenues. This was the experience of Alberta and other western provinces in the recent depression. In future, if the commission's report is implemented, this will not be necessary since increased adjustment grants will offset any decline in revenue from other sources. In brief, the provinces are assured of stable revenues.

It has long been recognized that there are many inequalities arising out of the unequal distribution of

the national income as between different regions of Canada. The financial plan proposed by the commission is devised to correct this to some extent. It is the view of the commission that "if welfare is to be achieved the national income must be better distributed and a greater measure of social and economic security must be provided for those in low income groups. Another fundamental consideration which the commission kept constantly in mind is the importance of maintaining, and expanding as rapidly as possible, the national income and a more prosperous Canada which governs the commission in the recommendations it makes for simplifying Canada's financial system, for carrying as economically as possible the growing public debt and for eliminating those features of the fiscal system which have a marked tendency to check investment and so to reduce employment.

The taxation proposals of the report arise out of the finding by the commission that the present system of taxation is obsolete, inequitable as between taxpayers and provinces, inefficient and a deterrent to expansion of the national income. The report states that the complexity of the present tax system is beyond belief and that existing corporate taxes have grown up in a completely unplanned and unco-ordinated way, and that they violate every canon of sound taxation. The taxation proposals, in the opinion of the commission, are justified on the grounds of sound social and fiscal policy. Furthermore, a system of taxation will assist in expansion of the national income.

Care was taken by the commission to see that its recommendations did not interfere with provincial or provincial autonomy. It disagreed with the view that these recommendations which argued that the authority of the provinces should be respected substantially. Rather, it designed its recommendations with a view to preserving provincial autonomy since it recognized that this was necessary in a federal state. In some fields of governmental activity the authority of the provinces will be strengthened and more clearly defined by adoption of the report.

In discussing its recommendations in relation to the inequalities arising out of the unequal distribution of

HONOR ROLL

The Recorder would appreciate readers informing us of errors or omissions to this list of names, compiled from names of men who have joined some of the Active Service from the entire district.

To each soldier enlisted, a complimentary copy of the Bassano Recorder is being mailed each week free of charge. Before this copy will be mailed, however, a questionnaire must be filled out, either by the soldier, or by one of his relatives or friends. This form may be secured by applying at the Recorder Office. The star beside the name of a soldier in the following list indicates that a copy of the paper is being mailed to him each week. Readers are asked to co-operate, and send a star appears beside each name by filling out the necessary form.

History of the E.I.D. Co-operative Cheese Factory

(By J. P. Lowson)

due sufficient milk to make a profit, thus increasing their assets.

Third—More land will be needed to pasture and hay crops, reducing the overhead of operation expense and adding fertility to the soil. It will also be an aid to the honey producers and, grass seed growers. More feed grain will be sown instead of wheat, thus helping in some measure the wheat problem in the E.I.D.

Fourth—Gives more employment locally. Nine men were gainfully employed in connection with the factory, making cheese, hauling milk and whey, cheese and coal and in doing secretarial work. As the herds increase more men will be employed on the farms milking cows the year around. The money earned by these employees will also be spent in the district.

Fifth—It reduces the cost of living. The milk patrons have the right to trade their milk for cheese, receiving the cheese at cost price, paying the freight, wholesale, and retail profits. Thereby more cheese

HISTORY OF THE E.I.D.

CO-OPERATIVE
CHEESE FACTORY

(Continued from Page 2)

is consumed locally.

With—which is of the greatest value. It is a co-operative cheese factory. A non-profit-making business owned and operated by the milk producers themselves. Most of the money needed to build the factory was borrowed from the E.I.D. treasury, but if the factory can have a few years of success the money will again be paid back to the treasurer, and the milk producers will become the sole owners of the factory.

Any money that is earned by the factory above the cost of milk and operating will be returned to the farmers in proportion to the milk deliveries in the form of dividends.

The districts outlying from Rosemary perhaps do not realize these possibilities. The districts of Brooks, Cassia and Duchesne, could well organize a milk route and deliver their milk to the factory. If a truck was operated at Brooks,

pick-up the milk at Brooks and perhaps into the Duchesne district, it would only have an eight or ten mile drive from the last pick-up to the factory. Cassia could organize and come direct to Rosemary. Rosemary could co-operate with Cassia and get a road grade between the two points. Rosemary needs a better road to the coal mines and Cassia needs a better outlet to the North and West.

A co-operating trucking service could well be organized by the outlying districts.

It should be realized that a cheese factory should not only be a benefit to the Rosemary, Cassia, and Gem districts but to as many as possible in the E.I.D. It will not only be a benefit to the farmer as an individual but to the E.I.D. as a whole.

Although we have only operated the factory for six months and have had many difficulties to face and have overcome many we can report a good measure of success.

Co-operation is the finest form of business and puts true democracy to work.

Feb. 18—Millmont at Rosemary

Please turn out and give the boys your support and let's boost Bassano to the top.

YOUR INCOME TAX

HOW? WHEN? WHERE?

WHO? HOW MUCH?

THIS YEAR, almost every man and woman in Canada will share the burden of paying for the war. A million new taxpayers will pay who never paid before. A personal budget payment plan is available to all taxpayers who are faced with substantially increased income taxes.

Canadians are asked to shoulder their share of the war effort cheerfully and willingly. By paying your income tax regularly you help to speed the production of war material and bring the day of victory closer. Figure out how much tax you will have to pay, and arrange to pay promptly when due.

Pay by instalments—the easy way—and save interest.

Cut out this page and keep it for future reference.

WHO PAYS INCOME TAX?

If you are a single person without dependents, and your income in 1940 was more than \$750.00 you pay general-income-tax.

If you are a married person without dependents, and your income in 1940 was more than \$1500.00 you pay general-income-tax.

If you are a married person with children, you are allowed \$400.00 exemption for each dependent child or grandchild, in addition to the \$1500.00 exemption.

NOTE: In addition to the general-income-tax you pay National Defence Tax on your total income over any exemption if you are single and your income goes over \$600 or if you are married and your income goes over \$1200.

HOW DO YOU PAY?

Your income tax may be paid in the following ways—

1. The Present Method: At least one-third of the tax to be paid by April 30th, the balance, with interest at 5% from April 30th, to be paid by August 31st. On any balance unpaid after August 31st, the interest rate will be 8%.

2. The Proposed Method: In 8 monthly instalments without interest. To take advantage of the new way of paying, the first instalment must be paid on or before January 31st. You must pay at least one-third of the estimated tax in four equal monthly instalments in January, February, March and April, i.e. 1-12 of the estimated tax in each of the said 4 months. The remaining two-thirds must be paid in four equal monthly instalments in May, June, July and August, i.e. 1-12 of the estimated tax in each of the said 4 months. (This method will be in the amended law.)

3. The Recommended Method: This method will not be found in

the law but it is a simple method, namely, in eight equal monthly instalments, without interest, commencing in January.

To take advantage of the monthly payment plan without interest each payment must be made on or before the due dates. Otherwise interest will be charged on the total balance remaining unpaid after April 30th.

EXAMPLE OF INSTALMENT PAYING WITHOUT INTEREST

If your estimated tax is \$60.00 you pay one-third of the tax (i.e. \$20.00) in four instalments (\$5.00 each) and the remaining two-thirds (\$40.00) in four instalments (\$10.00 each). Your payments are therefore as follows:

On or Before Jan. 31	On or Before Feb. 28	On or Before May 31	On or Before Sept. 30
\$5	\$5	\$5	\$5
On or Before May 31	On or Before June 30	On or Before July 31	On or Before Aug. 31
\$10	\$10	\$10	\$10 = \$60

However it is recommended that you pay your tax in eight equal monthly instalments of \$7.50 each—\$60.00.

Instalment Income Tax Remittance Forms are available at any post office, or any branch of any bank, or the office of the Inspector for your

District, and their use will ensure accurate and proper allocation of your payment. However, you can send in your instalments by ordinary letter with your name and address plainly stated thereon, clearly indicating the division between Provincial and Dominion Tax payments.

HOW MUCH DO YOU PAY?

The general-income-tax is payable on your net income less exemptions.

If you are single, your exemption is \$750.00. Thus if your net income is \$1,000.00 you must pay tax on \$250.00.

The exemption for a married person is \$1,500.00 plus \$400.00 for each dependent child or grandchild. Thus if you are a married man with two children and a total income of \$2,600.00 your total exemptions are \$1,500.00 plus \$400.00 for each child, or \$2,300.00 in all. So you pay tax on \$300.00.

Payment: You may send a cheque, Post Office or Money Order in payment of income tax by mail, to the Inspector of Income Tax for the District in which you reside, made payable to the Receiver General of Canada. Write plainly, and give your name in full, so that mistakes in crediting may be avoided. Do not send money or postage stamps in envelopes.

RATES OF NATIONAL DEFENCE TAX

For a single person

2% on the total income if the income exceeds \$600 and does not exceed \$1,200.

3% on the total income if the income exceeds \$1,200.

For a married person

2% on the total income if the income exceeds \$1,200 with a tax credit of \$5.00 for each dependent child or grandchild.

For 1940 the tax is on one-half of the income and the tax credit is \$4.00.

FURTHER INFORMATION

including the National Defence Tax Booklet may be obtained from the Inspector of Income Tax for the district in which you reside.

Forms are now available. Form T-1, Special is to be used by individuals who are not in business with more than \$5000. All others must use the regular Form T-1 or the Form T-1A. Proprietors in business must file, in addition to the Form T-1, Return, an Excess Profit Tax Form E-17-11 on or before April 30th next.

Rates of General-Income-Tax which Individuals Must Pay

Your net taxable income is the amount left after you deduct exemptions from your total income.

If your net taxable income is \$250 or less the tax is 15% or 6% thereon.

Between \$250 and \$1000 the tax is \$ 15 plus 8% on the excess over \$ 250	1000
" " 2000 and 3000 " " 195 " 12 1/2 " " 2000	" " 3000
" " 3000 and 4000 " " 255 " 20 " " 4000	" " 4000
" " 4000 and 5000 " " 315 " 25 " " 5000	" " 5000
" " 5000 and 6000 " " 375 " 30 " " 6000	" " 6000
" " 6000 and 7000 " " 435 " 35 " " 7000	" " 7000
" " 7000 and 8000 " " 495 " 40 " " 8000	" " 8000
" " 8000 and 9000 " " 555 " 45 " " 9000	" " 9000
" " 9000 and 10000 " " 615 " 50 " " 10000	" " 10000

For higher incomes refer to the Income War Tax Act.

In addition to the above rates, there is a surtax on all investment income in excess of \$5000.

Also there is National Defence Tax and in some Provinces, Provincial Income Tax.

BASANO WINS OVER ROSEMARY

A fast and exciting hockey game was played on home ice by the local Basano Junior Hockey Team last Wednesday, resulting in a win for the Basano boys by a score of 3 to 1 over the Rosemary team.

Goals for the locals were scored by W. Marquardt, Gerald McElride and Marcel Missey, with assists being given to Dale McElride, A. Arison and G. Castro. Penalties went to Bacon and Arison for the home team and Eastman for Rosemary.

This was the second game of the schedule and the second win for the Basano boys. The next game is on Saturday, January 18th, when the locals will entertain the Brooks team. Come out and give the boys your support.

GLEICHEN WINS TROPHY FROM LOCAL CURLING CLUB

Playing in Basano on Wednesday afternoon of this week for the Briar Trophy, rinks from Basano, Brooks and Gleichen showed keen competition for the honors of this district. Unfortunately, one of the rinks representing Brooks were unable to reach Basano, and the club from that point failed to score in the competition.

In the afternoon games, Mac-

Adam of Brooks won from MacDonald of Gleichen in a friendly exhibition game. 'Haskayne' of Basano also won from Betty of Gleichen by a close margin in a friendly game.

In the evening, playing for the Briar Trophy, MacDonald of Gleichen edged out Young of Basano in the last end, to win distinction. The win gives the Gleichen rink the right to represent this district in future rounds of the MacDonalds Briar Trophy Competition for championship of Alberta.

TEMPERATURES DROP IN DISTRICT

Following several days of extremely mild weather last week, temperatures in the Basano district took a sudden drop early this week, and thermometers have been registering in the zero area. Approximately two inches of snow fell on Tuesday evening, to give the district the appearance of winter, even if no extreme temperatures have been experienced to date.

There was concern over the condition of ice in the local skating and curling rinks last week, when warm days played havoc with the ice. However, with the recent drops in temperatures, the ice was again reported to be in fine shape. Fogs have accompanied the temperature drops, and motorists have reported driving conditions very difficult.

At time of going to press on Thursday, the sun is shining brightly, and there is every indication that temperatures may again rise to the freezing point.

SUNDAY SUBJECT OF PASTOR C. F. LAINE

Pastor C. F. Laine's sermon subject in Knox Presbyterian Church on Sunday next, January 19th will be "Church-makers and Church-making." This is a subject which should be of vital interest to all for we are all Church-makers and have it in our power to make Our Church the Church that we would like it to be, and the Church that the Master wants it to be. Come and hear this address in on Sunday evening at 7:30 P.M.

Around us rolls the ceaseless tide Of business, toil and care; And scarcely can we turn aside For one brief hour of prayer. O may we, Lord, reserve a space When from our tasks we're free To meet within Thy holy place And rest awhile with Thee.

BOYS ENJOYING PRACTICAL TRAINING RECEIVED AT YOUTH SCHOOL

Four new boys enrolled with the Farm Boys Youth Training School being conducted in Basano during the past week, and commenced

Local Items

Mrs. Wright of Calgary is visiting at the home of Dr. and Mrs. V. G. Scott.

Mrs. W. F. Keith and Mrs. A. G. Scott were Calgary visitors on Friday and Saturday of last week.

Mr. Tommy Lamont of the local bank staff was a Calgary visitor on Sunday last.

Mr. Clifford Johnson and Mr. J. T. Fraser were Calgary visitors on Monday and Tuesday of this week.

Mr. and Mrs. J. T. Davis were week-end visitors with friends in Drumheller.

Roy Smith was a business visitor to Calgary on Monday of this week.

Miss Florence White of Gull Lake Sask. is spending a short time visiting at the home of her sister, Mrs. A. Calgary, of Basano.

Miss Carolyn Beeber, who is attending school in Calgary, spent the week-end visiting at the home of her parents in Basano.

A number of citizens of the town journeyed to Gleichen on Friday evening of last week, to attend the dance.

Mrs. MacLeod of Medicine Hat spending a few days visiting at the home of her parents, Mr. and Mrs. L. Y. Bernie.

Mrs. H. E. Riley of Brooks was a Basano visitor on Wednesday afternoon of this week.

Miss Jean Lee, who has been visiting at the home of Dr. and Mrs. W. F. Keith for the past two weeks, returned to her home in Calgary on Sunday last.

A number of local Basano journeyed to Brooks on Friday evening of last week, to attend the banquet tendered in honor of Dr. Anderson of that point, who is leaving Brooks to accept a commission in the Medical Corps.

Mrs. Bond, who has been visiting for the past few weeks with her daughter, Mrs. J. Maguire, left Basano on Thursday morning of this week for Vancouver, where she will make her future home.

studies along with the other thirty-five students already enrolled. The new students are C. Dundas of Husar, D. Neil of Melpace, Chas. Hein of Duck Lake and W. Zender of Duchesne.

During the week, the group had farewell to Mr. Nichols, who has been their instructor in Motor Mechanics. His place was taken by Mr. G. Woods. Mr. Nichols has been transferred to Medicine Hat, where he will carry out other duties connected with the Youth Training Movement. Before departing from Basano, he was presented with a small gift by the boys in token of their friendship for him.

Entering upon their second week, the boys continue to show great enthusiasm for the classes. The group has been divided into three sections, and each section takes one week of Carpentry, one week of Motor Mechanics, and one week of Blacksmithing. At the end of the third week, the rotation of studies will again be commenced, giving each boy a total of six weeks practical work, two weeks in each division.

Last week, the carpenter group learned how to handle tools, and each boy was started on some project. These varied from making ironing boards to hay racks. During the two weeks training in carpentry each will receive general knowledge of the methods of construction of articles with wood.

The blacksmithing class learned how to forge tools, elevators, and chain rings and hammers. Mr. A. Maurer, aided by M. R. Milroy both of Basano, conducted the classes in blacksmithing. The motor mechanics class have been busy overhauling cars and engines, and even carried out work on a tractor. They have been learning the proper procedure to go about starting a motor apart, and the use of tools necessary in adjusting intricate parts of the engine to keep them operating efficiently.

The boys are looking forward to their dance to be held on January 28th, and express the hope that citizens of the district will turn out in full strength.
